

CHARTER TOWNSHIP OF FLINT POLICE DEPARTMENT

KEVIN R. SALTER
CHIEF OF POLICE

On Tuesday, August 6th, residents throughout Flint Township, Swartz Creek and Mundy Township are invited to observe the annual National Night Out. National Night Out is sponsored by the National Association of Town Watch (NATW) and co-sponsored locally by the **Flint Township Police Department** and **Metro Police Authority of Genesee County** (Mundy Township and Swartz Creek communities) and many local businesses.

National Night Out is designed to heighten crime and drug prevention awareness. It helps generate support and participation in local anti-crime efforts, strengthens neighborhood spirit and promotes police-community partnerships. These collective efforts help send a message to criminals, letting them know neighborhoods are standing up to crime.

Members from several Neighborhood Watch groups, Metro Police Authority of Genesee County and the Flint Township Police Department are working together to present a night of fun family activities at our police station. Police, fire and ambulance vehicles from local communities will be on display.

Citizens are invited to spend the evening on Tuesday, August 6th with members of our police departments as we celebrate National Night Out by hosting activities that promote a safe community. Come and celebrate between the hours of 4:30pm to 8:00pm.

We are inviting local businesses to assist in our efforts by setting up a display during National Night Out. To aid in the success of this event, we are asking businesses to donate money, needed goods and/or children's materials needed for hosting this event. There are many ways for your business to support this event, so please feel free to contact me or Officer John Chisa (810) 600-3264, so we may add your business to this event.

Thank you for your help in making National Night Out 2019 a great success.

James Baldwin
Lieutenant
