

## Charter Township Of Flint Road Improvement Plan

The list contains projects using the following money: road millage funds, 50-50 funds, and CDBG. The total cost of a project may not be reflected by the dollar amount as some totals include matching funds from GCRC. Colors under road headings are road groupings in one area each year. Colors under treatment heading are for re-occurring yearly improvements

Year	Treatment	Road	From	To	Paser Rating	Section	Length	Estimated Cost	Comment
2016	Paving & Milling	Calkins	Linden	Dye		17	0.48	\$63,845.66	
	Paving & Milling	Sugarbush Lane	Woodkrest Dr	Woodkrest Dr	3	8	0.367	\$57,545.60	
	Paving & Milling	Dye Crest Circle	Maplekrest dr	Woodkrest dr	3	8	0.291	\$49,531.16	
	Paving & Milling	Graham	Beecher	Court		9, 16, 21		\$221,559.22	
	Paving & Milling	Graham	Bridge	Beveridge					

Total = \$392,481.64

Note: CDBG Funds that are available will be used for ditching as per the advice of the Supervisor of the GCRC Swartz Creek garage and allowed under CDBG guidelines.

Note: 242 money are funds that the Township receives for various ditching projects and projects are determined by the GCRC Swartz Creek garage.

Note: The Road millage sets funds each year out of the budget for ditching and those funds for ditching are estimated dollars from the Income/expenses projection of Road Millage Funds Report

These are projected projects for the year of 2017

Year	Treatment	Road	From	To	Paser Rating	Section	Length	Estimated Cost	Comment
