

ABANDONED WELL CLOSURE

WE'LL PAY 75%

If you own an abandoned well that is on or adjacent to agricultural property and was no longer in use before 1993, we will pay for 75% of your well closure.

In an attempt to ensure clean drinking water in the future for our community, Genesee County's Groundwater Stewardship Program is funding 75% of the cost for abandoned well closures in Genesee County (must meet certain criteria). In most cases, the owner's cost is approximately \$80 - \$90. For more information please call, Carla Wysko, Groundwater Technician, at (810) 230-8766 ext. 3.
