

REWARDS *for* RECYCLING

Now Available in Your Community!

CONGRATULATIONS!

Your community has become one of the first Mid-Michigan communities to adopt Rewards for Recycling. This exciting program helps your community GO GREEN and rewards you for your recycling efforts. Your household can save hundreds of dollars every year with rewards available to you as a participating resident. From special money-saving coupons to free offers from local businesses, as a resident, valuable savings are already available to you. All you need to do is activate your account at RewardsForRecycling.com and start enjoying your rewards!

HOW IT WORKS

This packet contains your Rewards for Recycling "Account ID Tags." These tags have unique account ID numbers and have only been assigned to your address. Please follow the enclosed instructions for placing your Account ID Tags on your recycling bin. Every time you recycle with your community's recycling program, your household will be given credit for recycling that will open the door to special savings from local businesses. Your accounts recycling status can be reviewed online at RewardsForRecycling.com. Now it's simple, fun and *rewarding* to participate in your community's recycling program.

GET STARTED NOW

Once you have placed your Rewards for Recycling Account ID Tags on your recycling bin, go to RewardsForRecycling.com, enter your house number, your account number (printed on your Account ID Tags), confirm your address, and create a password for your RewardsForRecycling.com account. It's that easy!

INSTANT REWARDS

Activate your RewardsForRecycling.com account in the next 15 days and take advantage of these special "Welcome Aboard" rewards...nearly \$20.00 in instant value from three of our local community partners -- Leo's Coney Island, Snackin' in Style Cafe, and Fuddruckers.
